

March 25, 2005

To Whom It May Concern:

I faxed the attached application twice on the evening of March 25, 2005, between the hours of 9 and 10 PM, and did not receive an automatic fax response from the PTO. I am therefore mailing the application as a safeguard measure in the event the faxes were not received for any reason. I am providing the first page of the application with the mailing format to attest to the fact that I also mailed the amendment on March 25, 2005.
